SUNSHINE COAST CREDIT UNION

# member bulletin

**With the goal of providing our members with convenient access to a variety of products, services and expertise, we are pleased to announce a new association with The Co-operators.**

As of April 1, 2015, The Co-operators Gibsons office will relocate to 101-985 Gibsons Way, side-by-side with our Gibsons Branch and Head Office.

Operating as Sunshine Coast Insurance Services Inc., the arrangement facilitates a one-stop shop experience for financial and insurance services, supporting our commitment to creating value for members.

As member expectations increase, our goal is to find ways of delivering a better, more efficient experience to you. This collaboration does just that and is an example of 'co-operation among co-operatives'. We look forward to introducing you to our new neighbour!
